

Dr. Myrrha Satow
Superintendent

Dear Parents, Grandparents, Staff and Students,

I want to thank all the parents and grandparents for taking the time to nominate a teacher for the annual **“Knowledge, Strength, and Values Excellence in Teaching Award”**. This award is given annually to recognize excellence in teaching, show appreciation to our teaching staff, and elevate recognition of the most dedicated and excellent teachers in our organization. ***The award will be presented at the next Board meeting of each school in May or June and carries a monetary reward for the teacher.*** One teacher in each school/campus shall receive an award.

Parents are encouraged to submit nominations if you have not done so already. Remember, teachers from all of our schools are eligible. You are encouraged to nominate your child’s current or a special former teacher. Parents may submit nominations for more than one teacher, however, each form should nominate only one teacher. A confidential sub-committee of management team members and a parent from each school will serve as the selection committee. All nominations are shared with the teachers at their annual evaluation. In addition, copies are placed in each teacher’s personnel file.

I am so proud of our teaching staff and so are all of our principals. Now it’s your turn to help recognize their achievements!

Yours in educational excellence,
Dr. Myrrha P. Satow, Founder
Superintendent/CEO
