

OhioMeansJobs k-12

OhioMeansJobs K-12 is a no-cost, career planning resource that focuses on career opportunities in Ohio. This tool lets students take career assessments and create a career profile based on their personal interests. It also provides occupation/job information such as descriptions of skills, higher education & training needed, and budgeting and salary information and tools.

- **Step 1-** Go to: OhioMeansJobs.com
- **Step 2-** Click “For Students”
- **Step 3-** Register and create your personal, online profile
- **Step 4-** Take a short career interest survey to find occupations that match your interests
- **Step 5-** Use a budget calculator to see what salary you’ll need to support the life you want

You can learn about in-demand occupations that pay well and have the most promising futures.

You can even take free college entrance or career preparation practice tests.

The best part is that students can store all of their important information in an online backpack which will store things such as: budget plans, career plans, information about education and training programs, resumes, and job search results.

****all students at Performance High Schools will use the OhioMeansJobs tools throughout their high school career****
